<b>Employer information</b>	Heartlands, Good Hope and Solihull hospitals (HGS) are part of University Hospitals Birmingham Foundation Trust, one of the largest foundation Trusts in	

the country, HGS have over 11,000 employees providing general and specialist hospital and community care for the people of East Birmingham, Solihull, Sutton Coldfield, Tamworth and South Staffordshire. We pride ourselves on having services at the heart of our communities.

HGS (part of UHB) hospitals include Birmingham Heartlands Hospital, Solihull Hospital, Good Hope Hospital and Birmingham Chest Clinic. We also provide community health services across the borough of Solihull and run a number of smaller satellite units.

Education and training is undertaken in the Faculty of Education, which has some of the best facilities in the UK including state-of-the-art lecture theatres and meeting rooms. All supervisors are well trained and there is intensive monitoring of delivery standards. The senior postgraduate education team is one of the most experienced in the UK

It is important to note that this description is a typical example of your placement and may be subject to change.
