

West Midlands Central Foundation School

Individual Placement Description – Queen Elizabeth Hospital Birmingham

Placement	FY2 Genito-urinary medicine (Post 1)
The department	<p>Genito-urinary medicine (GU Medicine)</p> <p>University Hospital Birmingham is the lead partner in Umbrella Sexual Health - the pan-Birmingham and Solihull Sexual Health Service. Umbrella is the largest sexual health service in the UK with 15 consultants in GU Medicine and Reproductive and Sexual Health, and seeing more than 100,000 new patient contacts per year.</p> <p>The Department of GU Medicine is based at the purpose-built Whittall Street Clinic in Birmingham city centre, which is the hub of the Umbrella Sexual health service. Clinics are also delivered in 6 other satellite locations across Birmingham and Solihull including a clinic in Boots, Birmingham City Centre. In addition services are delivered through pharmacists city wide and in conjunction with GP's and community organisations.</p> <p>The department strives to be a national centre of excellence but also provides a supportive and welcoming environment for junior staff. It has consistently been rated very highly on clinical supervision, protected learning time and diverse, hands-on clinical experience by previous foundation trainees.</p> <p>University Hospital Birmingham also runs the largest service for the care of HIV-infected patients in the West Midlands region. The HIV service is based at the new Queen Elizabeth Hospital and Birmingham Heartlands Hospital.</p>
The type of work to expect and learning opportunities	<p>This post is based at the Whittall Street Clinic. The post holder will have ample clinical exposure to genito-urinary medicine at Whittall Street Clinic, as well as its satellite community clinics at <i>Boots</i> in Birmingham city centre. During the 4 month placement with us you will have the opportunity to:</p> <ul style="list-style-type: none"> • Work independently in GU clinics offering full STI screening including HIV testing. • Learn the importance of open and non-judgemental attitudes, and gain communication and time management skills • Become proficient in male and female genital examinations • Gain experience in ethical and medico-legal issues eg confidentiality, underage sexual activity, safeguarding children and vulnerable adults • departmental teaching (Wednesday 9-10am) • Participate in audit of clinical practice • Participate in teaching of medical students • For those post holder who are interested, there are opportunities to attend HIV outpatient clinics at University Hospital

	<ul style="list-style-type: none"> • Half day alternate week FY2 teaching • Monthly junior doctor FY2 forums • 4 days of self development time per rotation
